Please note - Women veterans who have been separated from the military for longer than 12 months as of January 1, 2006 will be eligible for a one year, introductory National BPW/USA dues discount of 50%. Women veterans becoming a Member of a Local Organization (MOL) will pay national dues of \$27.50 for their first year of membership. MOL veterans will be responsible for paying the full amount of State and Local dues.

Women veterans choosing a Member-at-Large affiliation will pay first year dues of \$55 (50% of \$110.)

This is an introductory offer only and current members (or those lapsed within the last 12 months) will not be offered the one-time only introductory dues. After one year, these *WJF* members will be expected to pay standard membership dues in order to renew and continue membership.

This form is an application and not a guarantee of membership. BPW/USA will screen applicants for eligibility and provide dues discounts on a first come, first serve basis.

Occasionally BPW's membership list is made available to carefully screened companies and organizations. Check here if you do not want your name included on the list.
